Important Update: Funeral Services at Palmers Green Mosque

Further to a previous communication sent to all funeral directors, Effective from July 2025, the Muslim Community & Education Centre (MCEC), Palmers Green Mosque, has transitioned to a fully community-led model for funeral services.

All funeral arrangements held at the mosque will now be managed directly by MCEC, ensuring they are delivered with compassion, dignity, and in line with our Islamic values of khidmat (selfless service), transparency, and fairness.

This change is designed to:

- Ensure mosque facilities are used efficiently in the direct service of our community
- Remove unnecessary intermediaries and costs to bereaved families
- Guarantee that all services reflect a community-focused and faith-driven ethos
- External funeral providers will no longer be permitted to coordinate services within our premises.
- This policy is applied universally and without exception, and is not directed at any specific provider.
- MCEC remains a welcoming and inclusive institution for all.

Where requested, we are happy to refer families to other mosques with suitable facilities. In the same spirit, we encourage other organisations to refer families to us when MCEC is their preferred choice for funeral services.

We thank you for your understanding and support during this transition, and we remain available for any queries or further clarification.
